CONCOURS
And Car Show

2019 Registered Vehicle Owner Instructions

Thank you SO much for registering your vehicle for the 6th Annual Benedict Castle Concours on March 31st benefiting Teen Challenge. We are so excited you will be joining us for this amazing day. We would like to let you know how check in will be handled this year to make it as simple as possible for you!

The physical address for the Benedict Castle is:
5445 Chicago Avenue
Riverside, CA 92507 *Map below*

Saturday

We are asking that if possible, place your cars at the Castle on Saturday. Our facility is not “trailer friendly” so if possible, please trailer them in on Saturday. Parking will be from 10am to 4pm. We have trailer parking off site at the First Baptist Church (see map) at 5500 Alessandro.

Saturday you will be given your **Check in Packet** and Goodie Bag upon arrival at our gate on Chicago Ave. Attached to the front of the big packet will be a neon card with the LOT your vehicle is assigned to for the event. You will show this bright neon card to the parking crew who will direct you to the appropriate lot.

- There will be security all night for trailers at the Baptist Church lot on Alessandro
- There will be security all night on the Castle grounds with the gates locked for all vehicles parked there.
- The sprinklers will be turned off for 3 days before the show
- You can cover your car overnight (which we encourage)

Also you will be able to attend the Saturday Evening Gala Honoring famed automotive customizer Gene Winfield in the Castle Courtyard beginning at 5:30 pm with hors d’oeuvres Tickets are still available and may be purchased online. Tickets are \$100.

Sunday

Trailers will begin unloading at 6:00 am and must be off the grounds by 6:30 am. There will be a shuttle to bring you back. Along Chicago Avenue we will have a staging area where you can temporarily park your rig/trailer, unload your car, stage your car inside the Castle gate, and then move your trailer over to the church to park. The non-trailer cars will begin parking at 7 am. There is no reason to arrive earlier than 7 am. Every car is already assigned to a lot and space because car registration is closed. So, it makes no difference if you arrive earlier. A runner will ask you at the gate the last name of the registrant, and the driver will then be given that specific vehicle's Check In Packet and Goodie Bag. **Each car will have it's own packet.** Attached to the front of the big packet will be a neon card with the LOT your vehicle is assigned for the event. Your car will then be admitted onto the grounds and the parking crew will direct you to your specific lot. Please hold up the neon sign with your lot in a visible spot so the parking crew can direct you. If you cannot hold the letter up we have masking tape to tape it to your windshield.

We are truly grateful that you have taken the time to come out and support our event. We realize the work it takes to get your car "ShowCar" ready! That is why

you are the most important people at the show and we aim to treat you well. Don't forget to stop and talk to some of the students in the red t-shirts. Their stories will touch your heart.
